LIVE LOVE MINISTRIES BANQUET

My name is Julia Holtz and I am the Director of Resource Development for Live Love Ministries. Live Love Ministries is a 501(c)(3) non-profit missions organization that works on the Native American Reservations in Arizona, in the country of Malawi and in the country of Cambodia. All of our US-based missionaries are endorsed by the North American Mission Board.

As our ministry has grown we are looking for more people to join us in supporting the work that God is doing!

On **August 27th**, we will be having our first-ever Live Love Ministries Banquet! We would love for you to come and enjoy a traditional O'odham meal and Congolese dessert with us and learn more about the ministry. We will have a time of worship, people sharing their testimonies, and our director will be sharing the vision for our ministry! We would love for you or a representative from your church to come as well as bring a friend or spouse!

The cost is \$60 per person. You can find more information about the event, and you can sign up by going to <https://www.liveloveministries.org/banquet>.
